**RECEIVE £200!**

Take part in the Ghost IT Referral Scheme and receive  
**£200 per referral.**

Plus, we'll even donate **£100** to your **charity of choice!**

## The Ghost IT Referral Scheme

The Ghost IT Referral Scheme is a new program that rewards those who refer a local organisation who is actively looking for an IT Support service.

For every successful referral to Ghost IT Services, you and a charity of your choice will be financially rewarded for your recommendation.

You will receive £200 per referral, and we'll also donate £100 to your charity of choice!

## Who can participate in the Ghost IT Referral Scheme?

The Ghost IT Referral Scheme is open to anyone who is over the age of 18.

If the company you work for isn't already a customer of Ghost IT Services, then why not consider recommending that they make the switch?

## What size and type of business can I refer?

Ghost accepts referrals for organisations that are actively looking for a Fully Managed IT Support service for a minimum of 5 users.

The organisation that you refer must be located in one of the following counties:

- Essex
- Hertfordshire
- Kent
- Cambridgeshire

## What will I receive for a successful referral?

You will receive £200 for every successful referral, PLUS we'll even donate an additional £100 to your selected charity of choice.

## What is considered to be a successful referral?

A referral is considered successful when the organisation who is referred to us has remained an active client for one month after they have signed a Fully Managed IT Services agreement.

## How many times can I participate?

You can participate in the Ghost IT Referral Scheme as many times as you like. There is no limit to the amount of organisations that you can refer to us!

## When will I receive my financial reward?

Your charity of choice will receive £100 immediately after the referred customer has signed a Fully Managed IT Services agreement.

As the referrer, you will receive your £200 reward immediately after the client has remained an active client for one month from the date they signed their IT services agreement.

Any reward will be paid directly to you via BACS transfer. We will contact your charity separately to arrange transferring their payment.

## Is my reward taxable?

We are unable to provide financial advice. However, your professional and personal tax position should always be considered.

## Why should I refer another organisation to Ghost IT Services?

We are one of the fast growing IT service organisations in Essex. We have built a strong reputation in the local community for providing an exceptional customer service experience with a personal level of care.

If you need to validate your decision to recommend Ghost IT Services to your employer or another organisation then you might find these resource pages helpful:

## How do I sign up for the Ghost IT Referral Scheme?

Simply provide all of your personal contact details and details of the organisation you are referring in the contact form on our [Referral](#) page. You will then be emailed a copy of our referral program terms and conditions, which you will need to sign and send back to us via email. Contact details will be provided with the T's and C's.

We will contact you to confirm the referral details are correct and then proceed to contact the organisation you have referred to Ghost IT Services, using the details provided.

## What if I have further questions?

If you have any further questions or concerns with the Ghost IT Referral Scheme, then don't hesitate to contact Ghost on [01708 390 370](tel:01708390370) or you can email us at [sales@ghostservices.co.uk](mailto:sales@ghostservices.co.uk).
